

Guitar Lessons – Take advantage of Ben's experience to get your playing where you want it to be!

### [Guitar Lessons via WebCam!](#)

Learn from RockSource360's premier guitar instructor, Ben Carroll, from the comfort of your own home!

Take advantage of the experience Ben has, experience you won't find in a local guitar instructor. Universal Recording Artist (Ben has had multiple songs on the radio and on TV), ESP endorsed Guitarist, Berklee Alumni with 15+ years of teaching experience...these are just a few of the accomplishments on Ben's resume.

Eager to receive exceptional guitar instruction, but live in a place where good teachers are hard to find? Or are you preparing to head to Boston to attend or audition for one of the fine music colleges in Boston such as Berklee College of Music and New England Conservatory? Learn from RockSource360's Ben Carroll via webcam, and accelerate your progress in the privacy of your home. All ages and skill levels welcome. All you need is a computer, a high-speed internet connection, a WebCam (inexpensive!), and a Skype account (free!) With the RockSource360's WebCam lesson system, your music lessons are just like traditional lessons, except that you and the instructor may be thousands of miles apart! You interact one-on-one with the instructor, in real time, through your computer. [Sign up for a FREE consult](#) today to learn how Ben will help you achieve your guitar goals.
